## Other Information

### Hockey 6's & J-Ball for Adults

There opportunities for adults to play Hockey 6's (Wednesday evening), J-Ball (Monday evening) and a variety of Full Field Hockey Competitions.

Hockey Victoria have developed two brand new versions of hockey – J-Ball and Hockey Sixers – which are played on small fields (43m x 22m), with modified rules to suit anyone, whether a seasoned player or a beginner.

These formats of the game are perfect for adults who have never given hockey a go, or played a little previously or would like to play socially. All you need is a team, a pair of runners and comfortable clothes.

More information can be found on [www.socialhockey.com.au](http://www.socialhockey.com.au) or contact FHC's J-Ball and Hockey 6's Contact Nicole Virtuoso 0424132715 [nicolevirtuoso@gmail.com](mailto:nicolevirtuoso@gmail.com) for further inquiries

### Hockey Victoria Indoor – what is it all about?

Indoor Hockey is a version of hockey which is played indoors in a sports hall or similar hard flat surface.

- there are only six (or 5) players per team
- each team must have a goal keeper
- the playing area is much smaller
- the goals are slightly smaller
- the duration of a game is shorter
- the ball may only be pushed and not hit
- the ball may only be played along the ground except for a shot at goal which can be raised
- there are long corners
- Penalty Corners: defenders outside posts
- indoor hockey pitches have side-boards along both side-lines which keep the ball in play
